## HEALANIS HAVE A LOSING STREAK

Brunswick-Balkes Take Three  
in a Row with a Fine Set of  
Scores — Boatmen Unable to  
Locate Head Pin

Y. M. C. A. BOWLING LEAGUE

	P.	W.	L.	Pct.
Lactis	18	14	4	.777
Myrtles	18	13	5	.722
B. B. C. Co.	18	12	6	.666
Cosmops	18	9	9	.500
Healanis	18	6	12	.333
Honolulu	18	7	11	.389
Rapid Transits	18	2	16	.111

The Healanis were hitting it up in poor form and if they had rowed last summer as they rolled last night, the Alamedas would probably have been chilly before the finish of the race. Three in a row went to the Brunswick-Balkes, who were doing some very respectable scoring, all three games being won by big margins.

The scores:

	B. B. C. Co.	Healanis
Milton	151	160
Haney	165	176
Elsworth	204	156
Scott	167	150
Roberts	176	224

	863	866	880	2609
Clymer	135	150	155	440
Robertson	151	102	102	253
Hoogs	211	160	172	543
Nell	130	100	161	291
McTigue	123	123	246	
Franz	159	176	168	501

SPLITS  
Another 2600 three-game total!

"I guess this will make the Myrtles and Lactis sit up and take notice,"—Franklin.

"And we haven't begun yet,"—Roberts.

"Going down,"—Franz.

"We are always smiling and laughing even if we do lose most of the games. We are good sports, we are,"—Clymer.

For the Brunswicks Roberts had both high score and average, 224 and 188 respectively.

Hoogs with 211 and 181 had both high score and average for the Healanis.

## BILL DAHLEN WAS LUCKY BUT LATE

During the period that Bill Dahlen, manager of the Brooklyn team, was one of the best shortstops in the National League he frequently tried to pick the winners at the race tracks. The horses were running at Aqueduct and the Superbas were playing in Washington Park, Brooklyn, and one day Dahlen was tipped off about a "good thing" in the first race that was sure to "walk in." Dahlen decided to make a rush for the track rather than lay his money in a poolroom, and he figured he could get back in time to take his place at short field for the afternoon game. The "good thing" unexpectedly won, and Dahlen, with a hat bag full of cash, started for Washington Park at Third street.

Arriving at Atlantic avenue, he was just in time to catch a train going down Fifth avenue; but, as the guard closed the gate Dahlen discovered the train was an express and made its first stop at Ninth street. On reaching Ninth street, which is an island station, Dahlen saw a train on the opposite side and got aboard. But this train was also an express, and for the second time Bill was forced to look out of the car window and see the players practicing in Washington park.

Eventually Dahlen reached the clubhouse, and in his hurry to get to his position at short put on his traveling uniform. Dahlen never discovered his mistake until he was halfway across the field, notwithstanding the players of both teams were yelling at him. He finally changed his uniform and got in his position just as the umpires and captains were looking over the batting order.

It is said the batting streak Dahlen developed that day saved him from discipline.

## Arnold Lawson Buys \$37,500 Worth Of Beautiful Blue Blooded Bulldogs

NEW YORK.—Arnold Lawson, son of Thomas W. Lawson of Boston and Broomfield, Egypt, Mass., where the financier's kennels are situated, brought to this country recently what is probably the finest and most costly pack of bulldogs ever imported into this country. In the collection are Champion Centaur, a lightweight, with a little white, but almost wholly a brindle; Champion Beamish Blunderbus, a heavyweight, of what is known as a red smut color; Irish Boy, a white bull; Juanita, Dora and Newington Supreme. A seventh purchase, Deodora Dina, died on Jan. 10 in England. It is said the dogs cost \$37,500. "All the best bulls in England are gone now," said Mr. Lawson recently. "There is nothing left. They will probably holler when they hear this, but it is true." The dogs are to be shown at the Westminster Kennel club show in this city Feb. 19 and at the Boston dog show on Feb. 25.

## MILITARY FIELD MEET PROMISES TO BE INTERESTING THROUGHOUT

Military tournaments are not affairs of everyday occurrence, and the one which Honoluluans will have the chance to witness tomorrow afternoon promises to be above the average in interest and excellence. The field day, which is to be held at Kapiolani Park, commencing at 3:15, will be divided into two general classes of events—exhibitions and competitive sports. Under the former head comes a drill by two troops of the Fourth Cavalry, a drill executed by a battery of the First Field Artillery, and the execution of Butts manual to music, by a battalion of the Second Infantry. In the second class are some purely military contests, such as wall scaling, equipment racing, and mounted fencing, and also some straight track events including the hundred yard dash and mile relay race. Altogether a well balanced card, and one that should be of great interest to civilians.

The cavalry exhibition this year will not be the monkey drill executed by Troop C of the Fifth Cavalry last Fourth of July. The reason for this is that the Fourth has not been here long enough to enable the troopers to train their mounts to do the difficult circus stunts that the drill calls for. To successfully put through the Cassack riding and bareback hurdle jumping, where the men ride more than one horse, it is necessary to have men and mounts in perfect accord. The Fourth took over an entire lot of strange horses, left by the Fifth, when the former regiment arrived only a little more than a month ago, and to have properly schooled the mounts would have been out of the question. Therefore the drill will be what is known as a high school riding, and should prove exceptionally interesting.

Major Joseph Frazier of the First Infantry is senior member of the board of officers representing every organization on Oahu, which has the military field day in hand. Major Frazier and his assistants have been right on the job, and the result is a classy program, with no chance of any kind of slip-up. The men are all keen for the tests, and there is a world of inter-organization rivalry. Represented in the several competitive events will be the three infantry regiments, the Fourth Cavalry, First Field Artillery, Coast Artillery District and Engineers.

The military meet is to be preceded by a 10-mile bicycle race, which is scheduled to start promptly at 2 p. m.

The following is the program of the military field meet, which will be held at Kapiolani Park Saturday afternoon, commencing at 3:15:

- Exhibition Drills
1. 10 minutes, Bayonet Drill, Co. C.
  2. 30 minutes, Cavalry Drill, Troops A and E; \$20.
  3. 10 minutes, Butts Manual, First Bat., Second Infantry; \$20.
  4. 20 minutes, Battery drill, Bat. F, First F. A.; \$20.
- Competitive Events
1. Equipment race—1st Infantry, 2d Infantry, 25th Infantry, Artillery

District of Oahu, Engineers. Gold, silver and bronze medals to place winners.

2. 100-yard dash—Three entries each from 4th Cavalry, Artillery District, 1st Infantry, 2d Infantry; two entries from 1st Field Artillery; one entry from Engineers.

3. Machine gun platoon contest—One gun each from 4th Cavalry, 1st Infantry, 2d Infantry, and 25th Infantry.

4. Race for retiring sharpshooters—4th Cavalry, Artillery District, 1st Infantry, 2d Infantry, 25th Infantry, Engineers. Gold, silver and bronze medals.

5. One mile relay race, A. A. U. rules—Teams of four from all regimental organizations and Artillery District. Silver cup to winning team.

6. Mounted Fencing—4th Cavalry. Gold, silver and bronze medals.

7. Wall scaling contest. Complete squads from Engineers, 4th Cavalry, Fort Ruger, Fort Kamehameha, 1st Infantry, 2d Infantry, 25th Infantry, 1st Field Artillery. Cup to winner.

8. Artillery drivers contest (to immediately follow battery drill). Section from Batteries D and E, 1st Field Artillery.

## PICK-UP FROM THE BALL FIELD

Sunday night there will be a monstrous baseball parade and demonstration, provided the Portuguese come out victorious in their game against the All-Chinese. The Carnival spirit seems to predominate everywhere.

On Sunday afternoon Manager Paresse of the P. A. C.'s will have four pitchers ready to sop the Chinese team. Here is the famous quartette: Bushnell, Tony Medeiros, H. Freitas and "Home Run" La Mere. The Chinese, on the other hand, will also have four slaters—Ajan Kau, Foster Robinson, Luck Yee and C. Akina. Wouldn't it be a treat if all the eight pitchers are given a chance, say, two innings apiece?

The Portuguese will pin their faith in the batting ability of Franco, Le Mere, Bushnell and Ornelias.

## MOTHERS SHOULD REMEMBER THIS.

We wish to call your attention to the fact that most infectious diseases such as whooping cough, diphtheria and scarlet fever are contracted when the child has a cold. Chamberlain's Cough Remedy will quickly cure a cold and greatly lessen the danger of contracting these diseases. This remedy is famous for its cures of colds. It contains no opium or other narcotic and may be given to a child with implicit confidence. For sale by all dealers. Benson, Smith & Co., Ltd., 2d Infantry, 25th Infantry, Artillery agents for Hawaii.—advertisement.

## NO AUTO RACES

The Honolulu Automobile Racing Association announces that the automobile races scheduled to be run at Kapiolani Park this afternoon have been called off owing to the death of Driver Bertelot yesterday, and the two serious accidents that have occurred to racing machines during the past week, on the country roads.

## YACHT EDRIS IS CHAMPION HARD LUCK CRAFT

A story of hardship and privation seldom if ever equalled in the history of yachting, is told by the crew of the yacht Edris, which staggered into 425 days out from New York, completing one of the most eventful trips in the annals of the sea.

On the way around the Horn she had two new bowsprits fitted, a new main boom, a new centerboard, lost many sails and gained an entirely new crew from the captain downward. Not one of the original men that started the journey completed it.

The Edris is the property of Captain John Carneson of the Barneson-Hilbert Company. He bought her in New York for use in these waters as a pleasure yacht.

Flying a pennant with 1915 on it at her peak, a flag with the words P. P. E. 1915 Exposition at her mainmast and Old Glory at her stern, she left New York on December 10, 1911.

Soon trouble began. Gale after gale was encountered, and at times looked as though the crew would be food for the sharks. In the doldrums she was becalmed for nine days. One day she rolled gunwales under, with her main boom swinging to and fro.

When she left New York, Captain J. C. Mille was on the bridge, but he and his men left her at Valparaiso, and there Captain Cameron took charge and signed up Boatswain Charles Johnson, Henry Sorenson, Patrick Finnigan, Edward Perry, Louis Sylva and John Dismas as a crew.

By calling at Valdivia, Puerto Mont, Ancud, Chabuco and Melinka, Chilean ports, she poked her nose into five harbors where the Stars and Stripes has never been seen on a ship.

The Edris holds the speed record between New York and Bermuda, for five years ago she reeled off the 1600 miles that separate the two points in five days and sixteen hours.

## INTER-CLASS MEET SUCCESS

The Punahou inter-class track meet held yesterday afternoon on Alexander field, Punahou, proved a great success. The Seniors-Freshmen-Prep, ran away with the victory with a total score of 55½ to the Junior-Sophomores 39½. The meet proved exciting from beginning to end, and was viewed by a large number of students.

The results for the afternoon were as follows:

100-yard dash—E. Baldwin, senior, first; Paris, junior, second; McStock, junior, third. Time, 19.4.

Shot put—Imman, junior, first; Low, senior, second; Hitchcock, senior, third. Distance, 41-1.

Pole vault—Fassoth, junior, first; Hitchcock, senior, second; G. Brown, junior, and Lindley, senior, tie for third. Height, 10.

880-yard run—Watt, senior, first; Timberlake, senior, second; G. Brown, junior, third. Time, 2-18-3.

Broad jump—E. Baldwin, senior, first; Liu, senior, second; Hitchcock, senior, third. Distance, 20-9.

220-yard hurdles—H. Baldwin, junior, first; Hitchcock, senior, second; Timberlake, senior, third. Time, 29-3.

Discus—Gifford, junior, first; D. Baldwin, senior, second; Imman, junior, third. Distance, 83-10.

High jump—Fassoth, junior, first; D. Baldwin, senior, second; H. Baldwin, junior, third. Height, 5-5.

220-yard dash—Paris, junior, first; E. Baldwin, senior, second; McStock, junior, third. Time, 24-2.

Javelin—Wishard, senior, first; Hitchcock, senior, second; King, junior, third. Distance, 111.

1 Mile Relay. Seniors. Time, 3-53-3.

University students in Washington, D. C., have formed a pretty little plan to catch every unwary mouse in the city and let the entire collection loose on the street at the time of the passing of the suffragette parade. Discovery of the plan by the police may frustrate what would have been at least an exciting event.

A fire starting in a rice mill in Savannah, Ga., destroyed wharves and warehouses filled with valuable freight. The loss is estimated at \$1,000,000.

## BAUERSOCK AND GILES ON EDGE

FIGHT FACTS  
Time: Saturday afternoon at 3:15 o'clock.  
Place: Bijou Theater.  
Referee: Bert Bower.  
Promoter: I. Scharlin.  
First Preliminary: Young Jack Johnson vs. Jack Thirman, 4 rounds.  
Second Preliminary: Johnny Kent vs. Theo. Silling, 4 rounds.  
Semi wind-up: Carlin vs. Piszczek, 6 rounds.  
Main Event: Clarence Bauersocks vs. Hollie Giles, 15 rounds, 152 pounds at noon.

Both Bauersocks and Giles finished their ward work for Saturday's fight yesterday afternoon, and both are in tip-top shape for a hard ring engagement. They have had just enough training to shake up their speed and

Clarence Bauersocks

polish up their boxing, while neither man has had to work hard enough on the weight question to take the snap out of him. The weight notch, 152 pounds practically four hours before ring time, is easy for both.

A glance at the card shows that the main event will not be the only interesting mill of the afternoon. Promoter Scharlin has brought together considerable class, and there should be something doing from the first gong.

With the military parade dismissed before noon, there should be plenty of soldiers in the city to fill every seat of the big theater, although the soldier field meet at Kapiolani Park will of course take a number of the men. Still, a real fight fan won't hesitate long between track athletics and punch trading, when it comes to choosing an afternoon's entertainment.

Both the principles will do light work this afternoon and lay off tomorrow in readiness to enter the ring. Bert Bower will referee, his work having been pronounced satisfactory by both men. The reserved seat sale will continue at M. A. Gunst & Co. this afternoon and tomorrow morning.

## ATLANTIC STEAMSHIP RATE WAR THREATENED

Canadian Pacific Refuses to Join Big Pool

BERLIN, Jan. 31.—The North Atlantic Steamship Conference, which began its sitting here Tuesday, ended abruptly yesterday, when the Canadian Pacific Railway refused to join in the pool. The other members unanimously decided to renew the combination, and there is a prospect of a lively rate war for steerage business from Trieste.

A representative of the Austro-American line announced the intention of his company to inaugurate a regular service between Trieste and Canada.

George McLaren Brown, the London representative of the Canadian Pacific, in an interview late declared that the conference had demanded that the Canadian Pacific Railway surrender its contract with Austria for its new Trieste-Canada line and pay a default. The combination offered not a single recompense of any nature, and, therefore, he had refused to join.

Mr. Brown added that the Canadian Pacific Railway was prepared to meet any rate reduction by the pool.

## ELECTORAL VOTE OF ARIZONA LOST

Messenger Fails to Arrive at Washington, D. C.

For twenty-four hours before the vice president's office was closed for the night with every electoral vote except Arizona's on file, a systematic search of Washington hotels and clubs had been conducted in vain for Elector Webb, who, it was known, had left Phoenix with his credentials more than ten days ago, due to arrive here Saturday. Until a late hour tonight the wives were kept slugging with messages to points between here and St. Louis in the hope of discovering some information as to the whereabouts of the missing messenger.

The postoffice department at Washington has ordered an inspection of all wagons and automobiles used for delivering mail throughout the country. Red paint will be used where repainting is necessary.

The coming season in London is greatly anticipated by society, who expect it to be the gayest in many years.
